**Overall campus ratings are determined by the average of the indicator ratings earned.**

North Heights  
is rated  
**Recognized**

Indicator	Rating
<b>Fine Arts:</b> The Fine Arts indicator focuses on opportunities for students to showcase their work, to participate and compete in performances, and to learn about cultures and careers through speakers and professional performers.	N/A
<b>Wellness and Physical Education:</b> The Wellness and Physical Education indicator focuses on disease prevention and control, nutrition, healthy lifestyle choices, and physical fitness for our students.	Recognized
<b>Community and Parental Involvement:</b> The Community and Parental Involvement indicator focuses on the involvement of community members including parents in our schools and the involvement of students and staff in our community.	Recognized
<b>21st Century Workforce:</b> The 21st Century Workforce Development indicator focuses on opportunities for elementary students to gain career awareness, middle school students to explore college and career options, and high school students to concentrate on college and career development through college credit and certification opportunities.	N/A
<b>Second Language Acquisition:</b> The Second Language Program focuses on quality staff and program participation for our second language learners.	Exemplary
<b>Digital Learning Environment:</b> The Digital Learning Environment indicator focuses on the availability and usage of digital devices, digital tools and digital resources in the instructional setting.	Recognized
<b>Dropout Prevention Strategies:</b> The Dropout Prevention program is comprised of additional support programs available for students to stay on track to graduate in four years. The main focus is on attendance rates, credits earned, course completion, and participation in available support services.	Recognized
<b>Education Programs for Gifted and Talented:</b> The Gifted and Talented Program addresses the academic needs of our gifted student population. Challenging opportunities are provided in the four foundation curricular areas during the school day. In addition to daily challenge, enrichment opportunities are offered throughout the school year.	Acceptable
<b>Compliance:</b> The Compliance indicator shows AISD's commitment to standards, rules and laws. Non-compliance is demonstrated by TEA notification or through required self-reporting.	Yes

*Our mission is to graduate every student prepared for success beyond high school.*
